Manufacturer stipulates that these ratings conform to applicable NFRC procedures for determining whole product performance. NFRC ratings are determined for a fixed set of environmental conditions and a specific product size. NFRC does not recommend any product and does not warrant the suitability of any product for a specific use. Consult manufacturer's literature for other product performance information.  
 \* Numbers below the performance ratings are referenced in the NFRC Certified Products Directory (e.g., ABS-X-1-00001-00001 or 123-X-1-00001-00001)
